Employment reference for Martin Kruit

It is with genuine delight that I offer this reference for Martin Kruit, who was employed permanently as resident musician at my Sotogrande restaurant La Terrasse, from March 2013 to June 2016. Martin helped to create a loyal base of regular diners for our marina restaurant, thanks to his pleasing music. He worked as part of an efficient, customer-friendly team to build up a reputable, consistently successful dining venture.

It was Martin's sensitive approach to the overall dining experience, plus his natural ability to create a wonderfully relaxing and enjoyable atmosphere through his repertoire of music, that compounded our success. His music was never too loud, never intrusive, always just right. Such was the feedback from our happy patrons over the years.

I have no doubt that Martin Kruit will bring generous benefits and many return visitors to any venue that chooses to hire him. I recommend him wholeheartedly.

Regards,

Jessy Hoornaert
